About US:

Solar Purpose is a solar and electrical contractor that designs, contracts, and installs systems both commercially and residentially. We work direct with customers and as subcontractors through our business relationships. We have been in business since 2014 and are growing quickly. We look forward to working with other businesses and customers as we provide excellent service for all of your solar and electrical needs.

Services we provide include:

Solar	Electrical
GRID TIED	RESIDENTIAL
OFF-GRID	COMMERCIAL
GRID INTERACTIVE	VISUAL AUDIO
WATER PUMPING	HOME AUTOMATION
THERMAL	HOME SECURITY
TRACKING, SINGLE & DUAL	STAND BY GENERATORS
